

As the closure period grows closer to an end – why not create a time capsule of the moment. Thoughts and feelings, pictures and articles – all securely placed into a jar or shoe box – or something large if there are several children in the family.

Click on the image above for a guide on how to do this and for ideas of things to include.

As we know you really enjoy the mystery Maths, here is one to try – [The Mystery of the Missing Horse](#).

Don't worry here is the [solution](#).

All over the Borough, and country, we can see some beautiful and creative rainbows to thank the essential workers during these unusual times.

How about creating this [science rainbow](#) – how does it work? Share with your teacher – if you can...

## YEAR 4 - Week beginning 1.6.20

### ACTIVITIES

Click on the links to access the activities! 😊

Parents feel free to share photos of your child's Time Capsule to [Year4@jamescambellprimary.org.uk](mailto:Year4@jamescambellprimary.org.uk)

Weather is sunnier, the days are longer and the government says you can go outside more. Why not get ready to join in with Wild June? Click the banner above to see some ideas and activities.

Year 4 have set up a series of battles on TT Rock Stars between the year 4 classes.

Make sure your class wins - there will be rewards for class wins and children who play most often/highest score.

Identify and classify a variety of British plants.

These are all  
flowering plants.

apple tree
