PTA Coffee Morning- 19th October 2021

Why should parents join the PTA at James Cambell Primary School?

Parent Teacher Associations (PTAs) are an active part of school life for schools. They are a great way of getting to know other families and staff whilst making a real contribution to the quality of school life for all.

Whilst fund-raising is a major part of a PTA's activities and directly contributes to the improvement of the school, there's a lot more to it than that. PTAs provide a great way to build the whole school community, including links with the wider society, all of which benefits the school and offers a positive influence within the local area.

PTA members also provide a willing workforce for the school when extra hands are needed, hold social events to bond the school community, run extra-curricular clubs for children and adults, and support parents through times of change. The varied work means there's something for everyone - it's not just about being on the committee.

A successful PTA provides parents and teachers with the opportunity to exchange views, work together and to develop mutual trust and confidence.

Our first major event for the PTA will be the organisation of the Christmas Fair- how exciting!

If you are interested in joining the PTA at James Cambell Primary, then please let the office know and you'll be invited to a coffee morning on Tuesday 19th October at 9:15am, hosted by Mrs Masters.

Kind regards,

Mrs Masters
