

Reception Loving Learning!

Cultural Capital 2023/2024

At The James Cambell Primary School we are dedicated to helping your child excel and reach their full potential. We want to help them gain the academic success, build critical thinking skills and develop life skills that will help them blossom into lifelong learners and successful adults. In order to do this, we organise and provide a range of learning experiences and opportunities within our curriculum to help them develop these skills and succeed in all they do. This includes different trips, activity days and workshops. As a school, we need your commitment in helping your child succeed by supporting us with these learning opportunities.

In order to make these positive and successful experiences, we are providing you with the timetable of activities your child will be involved in this year. This will give you information about the experiences and the opportunity to fund them across a number of months. Any letters regarding trips, and permission slips, will be sent home closer to the necessary dates. Many thanks for your support.

Year 1	<u>Experience</u>	<u>Skills</u>	<u>Date</u>	<u>Cost</u>
