Introduction

The Board of Trustees of Partnership Learning has agreed a Scheme of Financial Delegation, established as a formal schedule that distinguishes between matters reserved exclusively for the Board of Trustees' approval or decision, and matters delegated to the Board of Trustees' Finance Committee, executive officers of the Trust, the Local Governing Boards (LGBs), LGB sub-committees, Headteachers, Designated Senior Leaders, School Finance Leads and Budget Holders. The level of delegation for an academy will be determined by its size as determined by its pupil numbers.

This is a key document which forms the basis for all financial controls in the Trust. It has been formally approved at meeting of the Board of Trustees.
