KEY PRINCIPLES

- Class Teachers are responsible for the orderly dismissal of pupils from their classrooms.
- Class Teachers must be sure that pupils' leaving arrangements are **SAFE**.
- Class Teachers will not allow children to leave with unknown persons, or other parents without prior knowledge of the arrangement.
- Children in Years **5 (from the age of 10 years old) & 6** will only be allowed to walk home alone with written permission from parents and agreement from school that it is appropriate and safe to do so.
- Where changes to a child's normal pattern of home time occurs, the school expects to be informed by the parent on or before the day.
- Parents will drop off **punctually and will supervise their child until they are due to go into school**.
- Parents will collect children (or arrange for this to happen and inform the front office) punctually
- Children not collected **on time** will be taken to the office and parents will be contacted. If the person collecting them cannot be contacted or is late, the child may be placed in the EM3 after school club at the parent/carer's expense
- Parents must contact the school to inform them if they have been delayed due to unforeseen circumstances such as traffic jams etc. their child/ren will be placed in the office for a reasonable period (in exceptional circumstances). Later delays or if the school is unable to contact you using the contact details provided, your child may be sent to EM3 club (please see below under late collection).

School Admin Officers

- Admin officers will be vigilant that pupils are not leaving via the front entrance unaccompanied. All pupils coming into school via the front entrance will be signed in / out by the accompanying adult.

Parents

- Parents should ensure that pupils do not arrive at school **before their year groups start time**; unless they are booked into Breakfast Club as staff are not on duty. Parents must supervise their children at all times until they are handed over to the pre-arranged club or have walked into the building at the start of the day.
- Children are not allowed on the playground unsupervised if they do arrive prior to this time.
- Parents are not allowed to leave the children unsupervised on the KS1 playground in the morning. Parents may drop their children at the KS2 gate. Parents must pick up their children promptly.
- Parents are expected to make it clear to the school, at the start of each term by written consent, the default arrangement for collection and travel home and to telephone or send in a signed note on occasions that this arrangement is changed.
- Parents **must** inform school if their child is being collected by another parent or friend as school will not release children if they do not have **prior written consent from a parent / guardian**.
- Where there is any doubt teachers will hold the child in school and inform the head teacher or member of SLT who will take responsibility for the child and seek clarification by telephone.
- When parents receive their children it is their responsibility to supervise their children as they leave the school site. The school takes no responsibility for accidents on school property after handover.

Children

- Children are expected to leave with the known adult promptly and sensibly.
- Children **should not** use any of the school's play equipment or other school resources after school. Children will be made aware through assemblies and safety lessons of the danger and will be expected to be under close supervision by their parents at all times.

Children travelling to and from school alone

The school is not responsible for the safety of children on their journey to and from school.

- If parents choose to let their **Year 5 (age 10 and up)/6** child travel to/from school independently, then they should assess the risks associated with the school route and their own child's confidence.
- Children in year 5/6 who bring in mobile phones for emergencies (and if walking home by themselves) are required to hand in their phones to their class teacher in the mornings and can collect them at the end of the day. Please note the school does not accept any liability for mobile phones whilst on site.
- Parents who wish to let their child walk home need to collect a form from the front office to complete, sign and return. Please ensure you take in to consideration the walking route – e.g. whether there are footpaths, streetlights, major roads to cross etc.
- Parents should work with their child to build up their independence, while walking to and from school together, through route finding, road safety skills and general awareness.
- The school requires written parental consent for their children in **years 5 (Age 10 and upwards) and 6 only** to walk to and from school alone
- If a child should not arrive home at the expected time the parent/carer is expected to notify the school **immediately**.

Drop off and collection by older siblings or other adults

It is the parent/carer's responsibility to ensure that their child is dropped off and collected by a responsible person.

- **Children across the school from Nursery up to year 6** will only be released to an adult or a **sibling of the age 16 and above with written consent prior. The only children to leave on their own are those from the age of 10 onwards.**
- Children will not be allowed to leave school with any adult unknown to the school. Therefore, it is the parents'/carers' responsibility to notify the school if someone other than the usual person is collecting their child.
- Children will not be released to another parent without the school being informed.

If a parent/carer wishes for their child to be collected by someone who does not have parental responsibility, whether this is a regular or pre-planned arrangement, the parent/carer **must put this in writing or inform the school office**. In the event of alternative arrangements being made in an emergency, the parent/carer **must give verbal** consent for an agreed person to take the child home. The school will message the parent/carer via Parentmail to confirm that this arrangement was made at their request and with their consent.

Late Collection

If you are late to collect your child we will initially phone you. If cannot make alternative arrangements by 3.45pm your child/children will be placed in the care of EM3 Afterschool Club (the onsite after school provider) for emergency short term afterschool care for which there will be a charge per child. The details of EM3 club are <https://www.em3kidsclub.com/afterschoolclub>

In the event of a child not being collected from school and the school being **unable to contact any emergency contacts / receiving no notification from** the parent/carer within 45 minutes of the end of the school day, the school will follow its child protection procedures, i.e. the Police will be informed and a safeguarding referral will be made to Children's Services. The child would be placed into EM3 at the parent/carer's expense while following this process.

The school will keep detailed, timed records of the action taken and calls made to contact the parents/carers and emergency contacts.

Under no circumstances will school staff go to look for the parent/carer or take the child home with them. Once the situation has been resolved, parents/carers will be invited to meet with a member of the Senior Leadership Team to discuss the steps they could take to avoid a recurrence of this situation, e.g. ensuring that the school has current contact details, including emergency contacts.

Persistently late pick-up will result in the child being sent to EM3 at the parent's expense without a grace period.

Early Collection of Pupils procedure

Whenever pupils need to be collected before their formal dismissal time, parents/carers must provide prior notification by writing or by telephoning the school. This is to ensure that the class teacher is notified and therefore has sufficient time to distribute any homework/notices.

If a child is unwell, then they will need to be collected by a parent/carer. Children in Years 5 (age 10 and above) and 6 who have permission to walk home on their own must also be collected by a parent if they are unwell.

At the time of early collection, parents/carers must report to the school office. Parents/carers are required to sign the child out with the time that the child is being collected. Office staff will notify teachers that the parent/carer has arrived to collect the pupil. Parents/carers are kindly requested to wait in the foyer area for their child to arrive from the class. Any reason for early collection should be evidenced and consideration made as to whether the child should be collected early or remain in school.
